La Configuración General sobre la información de cuenta de YouTube debe estar personalizada de la manera siguiente:

- La cabecera del canal deben estar personalizados como lo establece la subsección 3.01.3. Personalización de las redes sociales.

Captura de evidencia

The screenshot shows the YouTube channel page for 'Biblioteca Nacional Pedro Henríquez Ureña'. The channel name is prominently displayed at the top, followed by the handle '@BNPHURD', subscriber count '1.26K subscribers', and video count '104 videos'. Below this, a description states it is the official channel of the Biblioteca Nacional de la Rep. Dom. and provides a website link 'myurls.bio/bnphurd'. Navigation buttons for 'Customize channel' and 'Manage videos' are visible. A menu bar includes 'Home', 'Videos', 'Shorts', 'Playlists', and 'Posts'. The 'For You' section displays a grid of four video thumbnails, all titled 'Taller de Escritura Creativa: Capítulo Poesía' followed by session numbers (3, 1, 2, 4). Each thumbnail features a man speaking and a large 'Poesía' graphic. Video durations are shown at the bottom of each thumbnail: 1:32:07, 1:36:11, 1:26:33, and a partially visible one.

La Configuración de privacidad, en la cuenta institucional debe estar personalizada como sigue:

- El organismo debe mantener de forma privada cuando marque un video como favorito.
- El organismo debe mantener de forma privada cuando guarde una lista de reproducción.
- El organismo debe mantener de forma privada cuando realice una suscripción.
